# CÓRDOBA

## BY MILES & MILES

Estancia Pilar is a 5000-acre working cattle and crop ranch, located 100 miles north of Córdoba's Airport.

# ESTANCIA PILAR

## DOVE, PIGEON AND PERDIZ OVER DOGS

The combination of crops, pastures and natural-grass covered hills are the ideal habitat for perdiz, pigeon and dove. While dove and pigeon season is the year round, perdiz are hunted over dogs the months of May through August. Depending on the time of the year and each species' behavior, some of the hunting may be done on the same property.

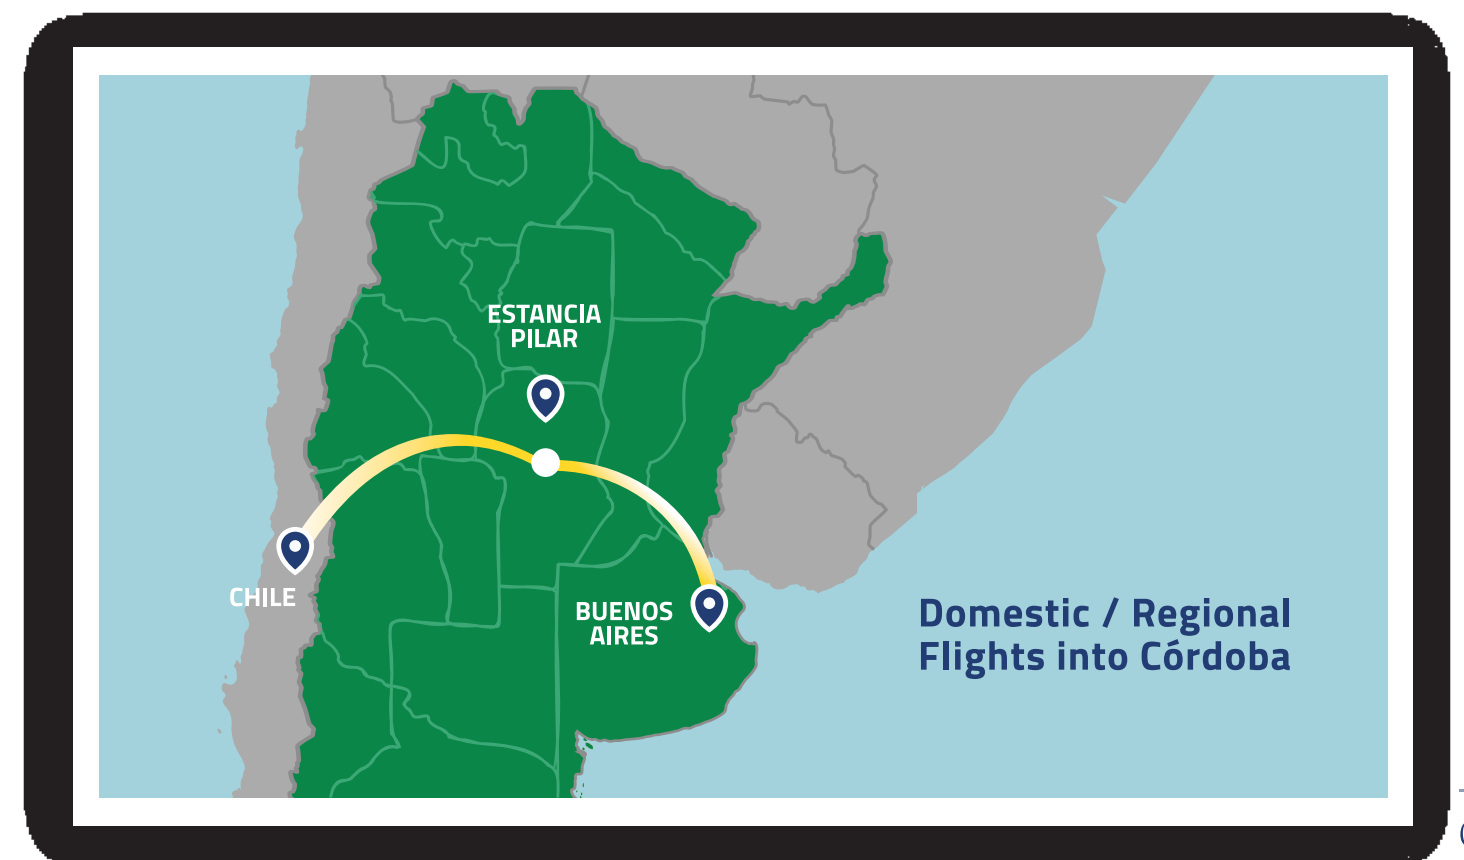

# HOW TO GET HERE

## FLIGHTS DURATIONS

International		
Dallas (DFW)	> Buenos Aires International (EZE)	10.5 hours
Atlanta (ATL)	> Buenos Aires International (EZE)	10.2 hours
Miami (MIA)	> Buenos Aires International (EZE)	9 hours
New York (JFK)	> Buenos Aires International (EZE)	11 hours
Domestic / Regional		
Buenos Aires Domestic (AEP)	> Córdoba (COR) - Pilar	1 hour
Santiago de Chile (SCL)	> Córdoba (COR) - Pilar	1 hour

## FACILITIES

The 6-bedroom lodge consists of several buildings surrounding the swimming pool and fire pit, both facing west. Post-hunt drinks and snacks can be enjoyed here while watching the magnificent sunsets.

## SHOOTING INFO (BIRDS ON THE CALENDAR)

### Wingshooting Season

	J	F	M	A	M	J	J	A	S	O	N	D
DOVE	*	*	*	*	*	*	*	*	*	*	*	*
PIGEON	*	*	*	*	*	*	*	*	*	*	*	*
PERDIZ					*	*	*	*				

Pigeon and dove can be hunted the year round both on the property or on our leases, strategically chosen to be under their different flight paths to and from the roosts and the feeding grounds.
